

ARTICULATION AGREEMENT BETWEEN LINCOLN TECH AND STRAYER UNIVERSITY

PURPOSE

This articulation agreement is designed to coordinate transfer policies, enhance advising, and promote the acceptance of the transfer of specific Associate degrees and Diplomas from Lincoln Tech into the Strayer University (SU) Bachelor of Applied Science in Management program (BASM).

ELEMENTS OF THE AGREEMENT

A. Admissions & Transfer of Credit

1. SU agrees that if a Lincoln Tech student satisfactorily completes any of the specified associate/diploma programs which are technical in nature and presents the appropriate transcript documentation of such to the Registrar of SU, the following general principles apply:
 - a. Lincoln Tech students who have a cumulative GPA of at least 2.0 are guaranteed admission to SU. Students are subject to all policies and procedures, including residency requirements of SU, as outlined in the SU catalog and student handbook.
 - b. SU will determine what degrees qualify as "technical in nature" under this agreement. All courses required to complete the specified associate degree programs will be reviewed towards the BASM program, including "C-" and "D" grades. Diploma programs, excluding "D" grades will be reviewed, allowing the student at least but not limited to 36 semester hours (12 courses) of technical credit. These courses are subject to SU policies, including a ten-year limitation on courses in accounting and computer-related areas.
 - c. Prior Learning Activity and other life experiences credits already evaluated as part of the associate/diploma degree program will be brought in with the degree.
2. Although students are encouraged to complete an associate degree prior to transfer, SU will accept applications from all Lincoln Tech students. Students transferring without an associate degree will have credits evaluated on a course by course basis which must equate to at least 36 semester hours in a technical area of study. Only courses in which a grade of "C" or higher was earned are eligible for transfer.
3. Students can transfer a maximum of 126 quarter credit hours or 84 semester credit hours. Service members Opportunity College (SOC) students may transfer up to 135 quarter credit hours.
4. If a student does not have the prerequisite for a 300 or 400 level course at SU, he or she will be required to take the prerequisite course before taking the upper division course.
5. SU will evaluate courses/credits earned through Advanced Placement (AP), College-Level Examination Program (CLEP), or other testing programs. SU also will evaluate courses/credits earned at other institutions. Students seeking credit for these courses must provide the university with official transcripts for evaluation.

Lincoln Tech offers various degree programs that meet or exceed the technical area requirement (listed below). Completion of at least 36 semester hours of technical credit is required for the BASM technical block. Up to 15 semester hours of overlapping technical credit may be applied towards the elective area. Technical credit is defined as coursework not related to a current Strayer degree program or general education requirement.

Automotive Technology

- AOS [Automotive Service Management - AOS Degree](#)
- Diploma [Automotive Technology - Diploma](#)
- Diploma [Automotive Technology with AUDI Education Partnership](#)
- Diploma [Automotive Technology with High Performance - Diploma](#)

Collision Repair & Refinishing Technology

- AOS [Collision Repair and Refinishing Service Management](#)
- Diploma [Collision Repair and Refinishing Technology](#)

Diesel Technician

- Diploma [Diesel and Truck Technology](#)
- AOS [Diesel and Truck Service Management](#)

Heavy Equipment Mech

- Diploma [Heavy Equipment Maintenance Technology](#)
- AOS [Heavy Equipment Maintenance Service Management](#)

In addition to technical credit, students may have completed the optional general education coursework from the following list. These courses may be used to fulfill the general education requirements as applicable towards the BASM curriculum.

GEN130	INTRODUCTION TO CRITICAL THINKING	PHI 210
GEN150	ENVIRONMENTAL SCIENCE	SCI 200
GEN160	PSYCHOLOGY	PSY 105
GEN180	COLLEGE ALGEBRA	MAT 104
GEN190	ENGLISH COMPOSITION I	ENG 115
GEN292	SPEECH COMMUNICATION	COM 201

B. Implementation and Maintenance of the Agreement

1. SU and Lincoln Tech agree to assist each other in promoting this agreement appropriately in their academic catalog, campus events, web sites, regulatory reports, and any other marketing deemed appropriate by Lincoln Tech, consistent with the Family Educational Rights and Privacy Act.
2. Upon request, SU will provide Lincoln Tech reports on enrolled Lincoln Tech transfer students, their majors, and academic performance to the extent permitted by law.
3. SU will encourage Lincoln Tech transfer students to complete the appropriate Associate Degree prior to transfer to SU or by reverse transfer of course credit once matriculated at SU. SU will notify Lincoln Tech students after they have completed a total (transfer and SU credits) of at least 90 quarter hours (60 semester hours) that they may be eligible to complete an Associate Degree at Lincoln Tech via reverse transfer.
4. SU and Lincoln Tech will review this agreement every three years or more frequently as agreed by the parties.

5. This agreement may be amended, as necessary, for specific program articulation without affecting the master agreement. Any amendment or addendum to this agreement must be in writing and signed by both parties.
6. This agreement will remain in effect until terminated by either party on ninety (90) days prior written notice. All notices to be given shall be delivered in writing as follows:

If to Strayer University:

Registrar's Office
 Strayer University
 2303 Dulles Station Blvd.
 Herndon, VA 20171

If to Lincoln Tech:

SVP of Education
 Lincoln Educational Svs
 200 Executive Drive #340
 West Orange NJ 07052

C. Additional Benefits Provided By Strayer University

1. SU, including the Jack Welch Management Institute, agrees to provide employees and their immediate family members (i.e., spouses, domestic partners, and dependent children) of Lincoln Tech a discount of 10% off of SU's standard published tuition rates.

SU will offer all Lincoln Tech employees this discount upon presentation of proof of employment. Such proof may be in the form of a letter on company letterhead or a recent paystub. To the extent Lincoln Tech publicizes the programs of postsecondary educational institutions to its employees; Lincoln Tech will include SU in such efforts.

Students are responsible for payment of any and all tuition, books, fees and costs assessed by SU.

 Date

Transfer credits from Lincoln College of Technology

Effective from 3/22/2017 through 3/22/2020

DeVry University has developed this Degree Program Transfer Guide to assist students transferring from Lincoln College of Technology to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at Lincoln College of Technology, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the Academic Catalog.

This guide is based on a review of Lincoln College of Technology Associate in Occupational Studies General Education courses by DeVry as of 3/22/2017 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Bachelor's degree programs included in this guide are:

Accounting
Biomedical Engineering Technology
Business Administration
Computer Engineering Technology
Computer Information Systems
Communications
Electronics Engineering Technology
Engineering Technology - Computer

Engineering Technology - Electronics
Healthcare Administration
Justice Administration
Management
Multimedia Design and Development
Network and Communications Management
Technical Management

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

THE PROVISIONS OF THIS TRANSFER GUIDE DO NOT CONSTITUTE A CONTRACT, EXPRESSED OR IMPLIED, BETWEEN ANY APPLICANT OR STUDENT AND DEVRY UNIVERSITY. THE INFORMATION CONTAINED HEREIN IS NEITHER AN AWARD NOR A COMMITMENT TO AWARD CREDIT AT DEVRY UNIVERSITY.

Important information about the educational debt, earnings, and completion rates of students who attended DeVry can be found at www.devry.edu/degree-programs/ge.html.

In New York, DeVry University operates as DeVry College of New York. DeVry University is accredited by The Higher Learning Commission (HLC), www.hlcommission.org. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia. Arlington Campus: 2450 Crystal Dr., Arlington, VA 22202. DeVry University is authorized for operation by the THEC, www.tn.gov/thevc Nashville Campus: 3343 Perimeter Hill Dr., Nashville, TN 37211. Unresolved complaints may be reported to the Illinois Board of Higher Education through the online complaint system <http://complaints.ibhe.org> or by mail to 1 N. Old State Capitol Plaza, Ste. 333, Springfield, IL 62701-1377. Program availability varies by location. In site-based programs, students will be required to take a substantial amount of coursework online to complete their program.
