2023 Summary of Benefits

A full spectrum of solutions for a diverse workplace

Medical Insurance

Lincoln Tech provides benefit eligible employees with three medical plan options for 2023. All three plans are provided through Horizon Blue Cross Blue Shield and are PPOs, which stands for "Preferred Provider Organization". PPOs allow participants to access a nationwide network of providers and don't require referrals to visit specialists. All three plans also cover eligible preventive services at 100%, and all three plans offer valuable coverage to protect you from high cost medical expenses. Despite these commonalities, there are some key differences, as detailed in the chart below.
