Make-Up

The following make-up policy applies to all programs with the exception of Practical Nursing.

Upon return to school following an absence, students are required to turn in any work that was due while they were absent in order to receive up to the original 100% credit. A reduction in credit for make-up work will be applied to all late submissions based on the following criteria:

- Up to 90% credit for all work turned in up to one week late from the date of your return.
- Up to 80% credit for all work turned in up to two weeks late from the date of your return.
- Any work turned in after two weeks late will receive a grade of 0%.

Availability for make-up on high stakes assessments (e.g. mid-terms and final exams) may be limited, and the date and time of make up on high stakes assessments must be agreed upon by faculty. Regardless of the timeframes referenced above, all work must be completed in a timely manner in order to process final grades, grade appeals and/or to resolve incomplete grades.

Any exceptions due to extenuating circumstances are managed at the discretion of the Director of Education and/or the Campus President. Documentation may be required to justify extenuating circumstances.

Make-up work for Practical Nursing students is coordinated by the Director of Nursing or their designee for students with an approved documented absence.

REVISE the third and fourth paragraphs in the following policy on pages 32:

Attendance

In the Practical Nursing and Dental Assisting programs, the following documented absences may be considered on appeal. If approved the student will be allowed to make up any work missed; however, the make-up time cannot be applied to their course attendance percentage (with the exception of course DAT105):

In the Practical Nursing and Dental Assisting programs, documentation of the above approved absences should be presented to the Education Department upon returning to school or in advance when applicable.
